Hold on tight.
While most competitors build their own furniture, Fleetwood focuses on building a superior RV with only the finest name brands like Dometic®, Magic Chef® and Hydroflame. Comfortable Flexsteel® furniture with a lifetime warranty on the frame (not available on ASV models), is just one example of how Fleetwood continues to outshine the competition.

**THE LARGE TV SHELF** (top left) (available on most models) is perfectly positioned for easy viewing (TV not included).

**THE BUILT-IN AM/FM RADIO WITH CD PLAYER** (middle left) (optional) is an ideal feature to have on those long journeys.

**OVERHEAD STORAGE** (middle right) is conveniently designed to accommodate full-size plates and dishes.

**THE FUNCTIONAL PANTRY** (lower left) features adjustable shelves, making it easy to store any kind of cookware or non-perishable items.

**A BUILT IN MICROWAVE** (top right) (optional) is perfect for cooking and whipping up a quick meal just like home.

**A SPACIOUS DOMETIC® 6 CU. FT. REFRIGERATOR** (lower right) is perfect for storing food and beverages.
**A True Pioneer.**

Pioneer blazes a trail ahead of the rest with more standard features and room than the leading competitor. Take advantage of features like deep overhead cabinets in the galley and the pots & pans drawer with full extension hardware, giving you full access to the drawer to store large cookware. You’ll enjoy all the space thanks to the 45” wide dinette booth (N/A on ASV Models) with deep slide-outs, providing more freedom to enjoy the destination. Moving into the bedroom, you’ll enjoy more room for storage thanks to deep closets that can accommodate full-size hangers. The competition just can’t stack up to Pioneer’s superior layout and functional design.

THE EXTERIOR SHOWER (optional) is the perfect feature for conveniently rinsing off after a day of fun activities.

THE FUELING STATION (optional on ASV models) allows you to refuel your toys and even top off your tow vehicle’s fuel tank with this onboard system (available with 18 and/or 30 gallon tanks).

A LOW PRESSURE PROPANE CONNECTOR allows you to hook up a BBQ for great cooking while camping.

GARAGE STORAGE (optional) allows you to conveniently load/unload lots of your favorite recreational gear. Camping gear, fishing poles, we’ve got you covered.

THE LARGE 7’ 2” RAMP DOOR (ASV MODELS) can hold up to 2,500 lbs and features a non-skid surface for easy loading and unloading of your favorite toys.

At Fleetwood, we have used our 55+ years of experience to design this travel trailer with a few things in mind. Quality. Convenience. Style. Thanks to a rigorous series of engineering tests (including leak testing, cycle testing and track testing), Pioneer is proven to be a dependable ally in your adventures. And if all that wasn’t enough, we went ahead and made it look great too. We dressed it up with the awesome interior decor motifs and sleek exterior stylings, giving Pioneer an appealing design that looks great while you’re on the road or camping. Pioneer makes traveling easy and stands tall next to all the rest.
Setting the Standard in Travel Trailer Quality

Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don’t survive are redesigned until they do. This sets the standard in safety and durability.

1. **Reinforced Cambered Steel Chassis** –
   Provides optimal strength, durability and performance.

2. **Arctic White Seamless, One-Piece Rubber Roof** –
   Provides the ideal weather seal.

3. **.024 Aluminum Siding** –
   Complete with a baked-on enamel paint, this aluminum siding offers rigidity while still being affordable.

4. **In-Ceiling Air Conditioning Duct** –
   Unlike our competitors that use in-floor ducting we use in-ceiling ducting which better distributes cool air throughout the RV (N/A on ASV models).

5. **Heavy Duty Ramp Door** –
   Rated at 2,500 lbs. Includes non-skid ramp door surface and cam lock door hardware (ASV floor plans only).

* Activity Support Vehicle

Drawings are for illustrative purposes only to highlight aspects of construction. Actual RV design depends on model and is subject to change.

To Our Customers...
To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you’re planning to buy. Don’t rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and cargo carrying capacity. These are usually available in the manufacturer’s sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information before you decide which unit to buy.

2. Verify the towing capacity of your tow vehicle. If you don’t know, or aren’t sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food, and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. Be sure the weight of the tow vehicle plus the weight of your trailer do not exceed the Gross Combined Weight Rating of the tow vehicle.

Taking these simple steps before you buy will help ensure that your trailer and tow vehicle combination is just what you wanted.

Happy Camping!

Reinforced Cambered Steel Chassis –
Provides optimal strength, durability and performance.

Arctic White Seamless, One-Piece Rubber Roof –
Provides the ideal weather seal.

#### Pioneers ASV Travel Trailers feature a body-width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or provincial road laws which may affect your usage.

* = Estimated weights.
N/A = Not available at time of printing.

** IMPORTANT—PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodev.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
What Drives You?

Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you. Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you’ll see what it is that drives us — it’s you.

RV OWNERCARE*

The Fleetwood One-Year Hitch to Bumper Warranty Coverage*

This comprehensive program includes systems, appliances, components and construction – with no additional costs to you.

One-Year Full Warranty*

Leaving the Fleetwood dealership after you’ve purchased your RV doesn’t mean leaving Fleetwood’s commitment to your satisfaction behind. This complete warranty is unique because it’s just that – complete.

Fully Transferable*

Because we don’t hesitate to stand behind our products, the complete warranty is fully transferable during the 12 months of warranty coverage, which is a plus for resale value.

National Coverage

Traveling to Spokane? Buffalo? We’ve got you covered with one of the nation’s largest trained service networks. In fact, 1,100 Fleetwood dealers are just a phone call away.

Require these features when you purchase your new RV... Fleetwood does.

FLEETWOOD TRAVELCADE CLUB

As a Fleetwood owner, you’re eligible to become a member of our owners’ group, Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit www.fleetwood.com/clubs to learn more and join the fun!

FLEETWOODRV.COM: To locate a dealer near you, visit our website or call 1-800-444-4905. We can also be contacted at Fleetwood Customer Relations, P.O. Box 7638, Riverside, CA 92513-7638.
